"We are very proud to be one of the five EHR companies that have achieved an Inc. 5000 ranking this year and one of the four that have been honored more than once, stated Michael Custode, CEO of meridianEMR, Inc.. Our focus has been to offer a very robust EHR application to the specialty healthcare provider and through our analytics initiatives assist in addressing the ongoing changes in health care policies, requirements, incentives, as well as the standards of care for the future. We are in the middle of a healthcare revolution and our continued goal is to create value for our clients through superior EHR technology, support services and analytics."

The 2010 Inc. 5000 is ranked according to percentage revenue growth from 2006 through 2009. To qualify, companies must be based in the U.S., privately held, for profit, and independent with 2006 revenue totaling at least $80,000 and 2009 revenue totaling at least $2 million. Over the evaluation period, meridianEMR, Inc. achieved a revenue growth rate of 162%. During 2010, new client orders have continued to increase and meridianEMR, Inc. has made
