Symmetry Medical to Report Second Quarter 2011 Financial Results on August 4, 2011

WARSAW, Ind., July 26, 2011 /PRNewswire/ -- Symmetry Medical Inc. (NYSE: SMA [1]), a leading independent provider of products to the global orthopaedic device industry and other medical markets, announced today that it will release second quarter 2011 financial results for the period ending July 2, 2011 before the market opens on Thursday, August 4, 2011. Symmetry Medical will host an accompanying conference call at 8:00 a.m. ET on Thursday, August 4, 2011.

A live Web cast of the conference call will be available online from the investor relations page of the Company's corporate Web site at www.symmetrymedical.com [2] . The dial-in numbers are (866) 825-3209 for domestic callers and (617) 213-8061 for international. The reservation number for both is 36436342. After the live Web cast, the call will remain available on Symmetry Medical's Web site through November 4, 2011. In addition, a telephonic replay of the call will be available until August 11, 2011. The replay numbers are (888) 286-8010 for domestic callers and (617) 801-6888 for international callers. Please use reservation code 65124571.

About Symmetry Medical Inc.

Symmetry Medical Inc. is a leading independent provider of implants and related instruments and cases to the orthopaedic device industry. The Company also designs, develops and produces these products for companies in other segments of the medical device market, including arthroscopy, dental, laparoscopy, osteobiologic and endoscopy sectors and provides limited specialized products and services to non-healthcare markets, such as the aerospace market.
