Pascal Metrics Welcomes Jim Conway to Leadership Team as Principal

Bio-Medicine.Org

WASHINGTON, Aug. 4 /PRNewswire/ -- Pascal Metrics is delighted to announce the appointment of Jim Conway as Principal leading its Governance and Leadership Group, effective immediately. The newly formed Governance & Leadership Group advises boards of directors and senior executive leaders in healthcare on how to execute data-driven patient safety and quality programs in order to reduce risk, lower costs, and improve clinical outcomes, service delivery and the experience of patients, family members, and staff.

Drew Ladner, Pascal's President and CEO, said, "We are honored to have Jim on our leadership team. The extraordinary experience and insight he brings will enable Pascal even more effectively serve clients from the bedside to the boardroom – especially as the latter increasingly understands the enormous opportunity to reduce costs by managing risk differently."

Mr. Conway, a Senior Fellow at the Institute for Healthcare Improvement (IHI), Trustee of Winchester Hospital in Winchester MA, and adjunct lecturer at the Harvard School of Public Health in Boston, was Senior Vice President of IHI (2006-2009) and Executive Vice President & Chief Operating Officer of Dana-Farber Cancer Institute (1995-2005) after a 27-year career at Children's Hospital in Boston. Mr. Conway is internationally recognized as a preeminent advisor to executives and boards of directors in healthcare. His additional areas of expertise and interest include patient safety, change management, as well as patient- and family-centered care.
