Medidata Solutions Named One of Deloitte’s 2012 Technology Fast 500™

The Associated Press

NEW YORK--(BUSINESS WIRE)--Nov 16, 2012--Medidata Solutions (NASDAQ: MDSO), a leading global provider of cloud-based solutions that optimize the efficiency of clinical development, announced that it has been named to Deloitte’s Technology Fast 500 ™ list, a ranking of the 500 fastest growing technology, media, telecommunications, life sciences and clean technology companies in North America.

According to Medidata, accelerating adoption of its expanding platform of cloud-based solutions by new and existing companies contributed to the company’s ranking of 388, as well as its 193 percent growth in revenue from 2007–2011. Medidata’s customer base includes global, mid-size and emerging pharmaceutical, medical device and biotech companies, as well as clinical research organizations, academic research institutions and government.

“For more than a decade, leading life science companies have benefited from streamlined activities, better use of resources and enhanced collaboration made possible by our cloud-based technology and data-driven solutions,” said Tarek Sherif, chairman and CEO, Medidata Solutions. “Our inclusion in the Fast 500 TM reflects the leadership role we have played in driving change in the clinical trials landscape. Organizations continue to look for, and we are delivering, new solutions for better optimizing their development processes to improve clinical, financial and operational results.” Medidata has been featured in the Deloitte Fast 500 TM annually, since 2009. In 2011, the company was ranked #247 for having achieved 359 percent fiscal year revenue growth.
