Announcing the Online Debut of Big Buds (BigBudsMag.com), Your One Source for Growing Medical Marijuana

Bio-Medicine.Org

SEATTLE, May 25, 2011 /PRNewswire/ -- Conceived as a sort of Huffington Post for the Medical Marijuana growers community, BigBudsMag.com launched on May 3, 2011, offering "Your One Source For Growing Medical Marijuana" for the multitude of Medical Marijuana growers, users and enthusiasts worldwide.

This first of its kind web content portal aims to offer a one-stop website for growing Medical Marijuana and the lifestyle that has arisen within this rapidly-growing industry. From cultivation and distribution to medication and appreciation, Big Buds will cover all facets of the medicinal cannabis culture in a way that is sophisticated, informative and entertaining to all readers.

Big Buds will provide the grower community with expert advice on how to cultivate the best medicine, as well as help patients discover the best strains available for their needs. The site will also give a voice to the dispensary community who are on the front lines of the culture, shining a factual and positive light on this still misunderstood link in the medicinal cannabis chain.

And because the Medical Marijuana lifestyle is ever evolving, Big Buds aims to keep readers informed of the latest news and opinions about Medical Marijuana, with daily updates Monday through Friday,

Big Buds launched on May 3, 2011 with daily content celebrating myriad topics, from articles on how to grow the biggest buds and reviews of the best grower gear, to interviews with world-famous entertainers actively engaged in the Medical Marijuana culture, recipes for the tastiest medicinal treats, and thoughtful analysis of the technological and medical sciences that continue to evolve as this exciting new industry becomes a significant part of daily life for millions of enthusiasts worldwide.
