University Behavioral HealthCare Goes Live with Stockell Healthcare Systems' InsightCSÃ,® Revenue Cycle Information Management System

Bio-Medicine.Org

ST. LOUIS, Dec. 7, 2011 /PRNewswire/ -- Stockell Healthcare Systems is pleased to announce that its InsightCS® Revenue Cycle Information Management system is up and running at University Behavioral HealthCare (UBHC) with more than 800 users at 13 locations across the state of New Jersey.

UBHC, a division of the University of Medicine and Dentistry of New Jersey (UMDNJ), is utilizing the InsightCS® system's complete, end-to-end Patient Access (Registration, Scheduling, ADT) and Patient Accounting (Billing, Collections and Payments, Contract Management) solutions.

UMDNJ originally selected InsightCS® in April of 2010 for its enterprise-wide revenue cycle management capabilities and has fully integrated the system with the vxVistA clinical management solution from DSS, Inc.

"At University Behavioral HealthCare, we believe we have found a high quality, cost-effective solution to the daunting decisions about behavioral health software," said Chris Kosseff, CEO for UBHC. "By integrating Stockell Healthcare's InsightCS® with vxVistA, we have an excellent revenue cycle product integrated with one of the best EMRs in the world."

Rick Stockell, president of Stockell Healthcare added, "Behavioral Health is an important market segment for us and we are pleased with the opportunity to provide our full suite of advanced Patient Access and Patient Accounting solutions to help UBHC improve patient and provider satisfaction, and to maximize operational efficiency throughout the entire revenue cycle."
