FRISCO, Texas, March 20, 2012 /PRNewswire/ -- Assured Pharmacy (Pinksheets: APHY), a leading specialty pharmacy group providing prescription medications to sufferers of chronic pain, will present at Anda's 2012 Supply Chain Symposium on Thursday, April 19th at the PGA National Resort and Spa in Palm Beach Gardens, Florida. Assured Pharmacy has been asked to present concepts relating to best practices in dispensing controlled substances at pharmacies.

Anda was established in 1992 to service the pharmaceutical purchasing needs for pharmacies and physician offices. Anda has positioned itself as the fourth largest supplier of generic pharmaceuticals within the U.S. With over 8,500 items in stock, Anda's product assortment also includes brands and specialty pharmaceuticals, vaccines, injectables, medical/surgical supplies and OTCs/Vitamins. Anda ships to over 65,000 pharmacy related, physician and warehouse locations, to all classes of trade.

"We look forward to the opportunity to present at Anda's 5th Annual Supply Chain Symposium," said Robert DelVecchio, Chief Executive Officer of Assured Pharmacy. "We are honored to be recognized as a leader in compliance by an organization as a prestigious as Anda as well as our peers."

About Assured Pharmacy, Inc.
Assured Pharmacy, Inc. is a growing provider of specialty pharmacy services to patients and physicians in the treatment of chronic pain. Through its network of specialty pharmacies, the Company predominantly dispenses highly regulated pain medications to sufferers of chronic pain, while stringently adhering to federal and state reporting requirements for both patients and physicians. The Company derives its revenue primarily from the sale of prescription drugs and does not keep in inventory non-prescription drugs or health and beauty related products inventoried at traditional pharmacies. The majority of the Company's business is derived from repeat visits from it
