Adeona to Host 2010 Year End Investor Conference Call

Bio-Medicine.Org

ANN ARBOR, Mich., March 28, 2011 /PRNewswire/ -- Adeona Pharmaceuticals, Inc. (Amex: AEN [1]), a developer of innovative medicines for serious central nervous system diseases, announced today that it will hold its 2010 year end investor conference call on Thursday, March 31, 2011, at 4:30pm EDT. James S. Kuo, M.D., M.B.A., Adeona's Chief Executive Officer, will host the call.

Interested parties should call toll free 1-800-860-2442 (U.S.) or 1-866-605-3852 (Canada), or from outside North America +1 412-858-4600, fifteen minutes before the start of the call to register and identify themselves as registrants of the 'Adeona' Conference Call. Any registered caller on the toll free line may ask to be placed in the queue for the Question & Answer session. The call will be simulcast on the web at http://www.videonewswire.com/event.asp?id=77882 [2]. If you are unable to participate during the live call, the webcast will be available for replay at www.adeonapharma.com [3] for 30 days after the call.

About Adeona Pharmaceuticals, Inc.

Adeona is a pharmaceutical company developing innovative medicines for the treatment of serious central nervous system diseases. The Company's strategy is to license product candidates that have demonstrated a certain level of clinical efficacy and develop them to a stage that results in a significant commercial collaboration. Currently, Adeona is developing the following product candidates: a prescription medical food for Alzheimer's disease, and drugs for multiple sclerosis, fibromyalgia, age-related macular degeneration and rheumatoid arthritis. For more information, please visit Adeona's website at www.adeonapharma.com [3].
