Stability Testing Course is Taking the Online Training Format by Storm!

Bio-Medicine.Org

LONDON, August 12, 2011 /PRNewswire/ --

5 modules - 2 weeks - all recorded to view anytime!

Pharma IQ is delighted to announce that the Stability Testing Online Training Course is proving to be a key event in the pharma industry agendas.

The secret behind the Stability testing Online Training Course success, apart from the course leader - expert Dr. Manuel Zahn, is its user-friendly format which allows flexible and interactive high standard, global training.

This unique interactive online course will focus on:

- Understanding the Regulatory Aspects of Stability Testing
- Temperature Monitoring during Shipment
- Implementing an Effective Stability by Design Programme,
- The Evaluation of Stability Data and
- The Stability Testing for Global Markets.

Set to be the "must attend" pharma online training course, Dr. Manuel Zahn will be leading the following organizations through the challenging world of stability testing:

WuXi AppTec, Inc., Dyax Corp, Pfizer Consumer Healthcare, Procter & Gamble, Bristol-Myers Squibb, Pharmascience Inc., Exova, Novartis Consumer Health SA, Novartis, Novartis Pharma AG, Boehringer Ingelheim Chemicals, Beckman Coulter Inc, C. B. Fleet Company, Inc., Norbrook Laboratories Ltd.

The full Stability Testing Online Training Course delegate profile is available here http://image.exct.net/lib/ff2912787067/d/1/STABILITY%20DELEGATE%20PROFILE.pdf [1]

With 5 interactive modules, an internet-based official exam for additional accreditation and a A-class leading expert, the Stability Testing Online Training Course will arm you with the necessary skills to develop a robust stability testing

programme.
