Dr. John Christian Schiro DDS Opens New Cosmetic Dentistry Practice in Austin, Texas

The Associated Press

Dr. John Schiro DDS is now announcing the grand opening of his new cosmetic dentistry practice in Austin Texas. Dr. John Schiro is an Austin cosmetic dentist providing "smile makeover" cosmetic dentistry. Cosmetic dentistry helps people with damaged, chipped, crooked, discolored, or missing teeth get a beautiful new smile that makes them look more attractive and feel more confident.

Dr. John Schiro's new cosmetic dentistry practice is now open and accepting new patients who want to improve their smiles. Cosmetic dentistry services provided include dental implants, porcelain veneers, all-porcelain tooth crowns, dental bridges, sedation dentistry and reconstructive dentistry. John Schiro's dental office is located at 2700 Barton Creek Blvd in Austin, Texas.

"After founding and building one of largest cosmetic dentistry practices in world -- 'Smile Texas' in the Houston-area -- I decided to move to Austin, Texas and open another practice closer to home," stated John Schiro DDS - Austin Cosmetic Dentist. "Today, I'm helping people get beautiful smiles with cosmetic dentistry at our new dental office in Austin Texas. I help people who have decayed and damaged teeth get a beautiful, natural-looking new smile with cosmetic dentistry procedures including: tooth-colored all-porcelain veneers, all-porcelain tooth crowns and dental bridges, full mouth reconstruction and dental implants. I look forward to helping people in the Austin Texas area who want to improve their smile."
