About Us:

WuXi AppTec is a leading global pharmaceutical, biologics and medical device outsourcing company with operations in China and the United States. As a research-driven and customer-focused company, WuXi AppTec provides a broad and integrated portfolio of laboratory and manufacturing services across the discovery-to-commercialization spectrum. Our services are designed to help our worldwide customers shorten the discovery and development time and lower the cost of drug and medical device R&D through cost-effective and efficient outsourcing solutions.

MEDICAL DEVICE SERVICES

WuXi AppTec's comprehensive testing programs and expert guidance help speed devices and combination products to market. Our industry-recognized experts can offer manufacturers the support they need to make smart development and regulatory testing decisions – from product concept through commercial release. A wide menu of R&D, GLP- and GMP-compliant testing programs can be tailored to suit particular needs at every stage of product development.
