

Spa & Resort/Medical Aesthetics Expo to Feature New Innovations from Exhibitors

Bio-Medicine.Org

NEW YORK, Sept. 10 /PRNewswire/ -- [Spa & Resort/Medical Aesthetics Expo](#) [1] will feature new innovations that will enhance client offerings for spa and salon owners. These new products will be on display and demonstrated at the event taking place September 28-29 at the Jacob K. Javits Convention Center in New York.

The Spa & Resort/Medical Aesthetics Conference and Expo gives spa, aesthetic and wellness professionals the tools to move their spa business forward with incomparable networking opportunities and hands-on training and discovery of the most cutting-edge products, treatments, and services available in the industry today. Spa & Resort is co-located with [HBA Global Expo & Conference](#) [2] and is part of the annual Beauty Week™, at New York's Jacob K. Javits Convention Center.

[Beaming White](#) [3], the leading supplier of professional teeth whitening equipment and supplies to the beauty industry, will officially launch its consumer line of teeth whitening products at the event. The Forever White™ teeth whitening headset, will be the fastest at-home whitening kit in the world, allowing users to whiten their teeth in under an hour while they listen to music. The beautifully packaged home whitening kits looks like the ones dentists give to their patients, at a small fraction of the cost. Striking aluminum teeth whitening pens with 16% hydrogen peroxide in sleek display boxes will also be shown. For more information go to www.beamingwhite.com [3]

[Edge Systems Corporation](#) [4] will be showcasing the HydraFacial hydradermabrasion system, which is changing the face of the aesthetic industry, making skin health more accessible and affordable than ever before. Hydradermabrasion is a new classification of skin rejuv
