

Dehaier Medical Announces Participation in Arab Health 2011

Bio-Medicine.Org

BEIJING, Jan. 11, 2011 /PRNewswire-Asia-FirstCall/ -- Dehaier Medical Systems Ltd. (Nasdaq: [DHRM](#) [1]) ("Dehaier" or the "Company"), an emerging leader in the development, assembly, marketing and sale of medical devices and homecare medical products in China, today announced that it will participate in the Arab Health Exhibition & Congress ("Arab Health"), to be held January 24-27, 2011 at the Dubai World Trade Centre in Dubai, United Arab Emirates.

(Logo: <http://photos.prnewswire.com/prnh/20100422/CNTH001LOGO> [2])

Arab Health is the largest healthcare exhibition in the Middle East and the second largest in the world. The event provides a platform for the world's leading manufacturers, wholesalers and distributors to meet members of the medical and scientific community from the Middle East and beyond. Over 2,700 exhibitors and 60,000 healthcare professionals from around the world are expected to attend this year's event. Dehaier will exhibit at Booth S2F17.

About Dehaier Medical Systems Ltd. Dehaier Medical Systems is an emerging leader in the development, assembly, marketing and sale of medical products in China, including respiratory and oxygen homecare medical products. The company develops and assembles its own branded products from third-party components. The company also distributes products designed and manufactured by other companies, including medical devices and respiratory and oxygen homecare products from IMD (Italy), Welch Allyn (USA), Penlon (UK), HEYER (Germany), Timesco (UK), ResMed (Australia), and JMS (Japan). Dehaier's technology is based on two patents, five pending patents, and proprietary technology. More information may be found at <http://www.chinadhr.com> [3].
