

## **Hologic gets FDA OK for first 3-D mammography system**

Mass High Tech: The Journal of New England Technology

Hologic Inc. has won approval for its 3-D digital mammography systems from the FDA - the first such system given the OK, the company said.

Bedford-based Hologic (Nasdaq: HOLX) got the approval from the U.S. Food and Drug Administration (FDA) for its Selenia Dimensions digital breast tomosynthesis system, marketed as Dimensions 3-D.
