

Mettler-Toledo International Inc. to Host First-Quarter 2011 Earnings Conference Call

Bio-Medicine.Org

COLUMBUS, Ohio, April 27, 2011 /PRNewswire/ -- Mettler-Toledo International Inc. (NYSE: [MTD](#) [1]) today announced it will host a conference call to discuss the Company's first-quarter results on Wednesday, May 4, 2011 at 5:00 p.m. Eastern Time. To hear a live webcast of the call, visit www.mt.com/investors [2] on the Company's website. A replay of the webcast will be available until May 6, 2011.

METTLER TOLEDO is a leading global supplier of precision instruments and services. The Company has strong leadership positions in all businesses and believes it holds global number-one market positions in a majority of them. Specifically, METTLER TOLEDO is the largest provider of weighing instruments for use in laboratory, industrial and food retailing applications. The Company is also a leading provider in analytical instruments for use in life science, reaction engineering and real-time analytic systems used in drug and chemical compound development and process analytics instruments used for in-line measurement in production processes. In addition, METTLER TOLEDO is the largest supplier of end-of-line inspection systems used in production and packaging for food, pharmaceutical and other industries. Additional information about METTLER TOLEDO can be found at "www.mt.com/investors."
