

New Littmann Stethoscope Designed Especially for Nurses

RealWire

A new stethoscope designed especially for nursing professionals has been launched by global technology company 3M. The Littmann Lightweight II S.E. stethoscope has a unique ovoid double-sided chestpiece for better movement around blood pressure cuffs and body contours, making it ideal for listening to blood pressure, chest, bowel, abdominal, heart, lung and breath sounds.

With a heightened awareness of infection prevention issues, all nurses should ideally have their own high quality stethoscope. The Littmann Lightweight II S.E. model provides the superb sound quality and reliability of the Littmann brand yet at an affordable price of £24.95 + VAT (RRP.)

Littmann Lightweight Stethoscope

Available in three colours, including attractive Ceil (light) Blue, the sleek modern design is lightweight and durable, folding easily into a pocket.
