FRASER, Mich., June 7, 2011 /PRNewswire/ -- Healthmark Industries was honored with two award wins last week from the Michigan Society of Healthcare Central Service Personnel (MSHCSP).

At last week's annual meeting, Director of Education, Stephan Kovach was presented with the Lifetime Honorary Achievement Award for his service to the MSHCSP and the sterilization profession.

The same night Healthmark was also awarded the "Robert Hilboldt Award," the highest honor, to Ralph A. Basile, founder of Healthmark Industries.

"To say that we were overwhelmed by the honors would be an understatement," says Vice President Ralph Basile. "Many members of the MSHCSP are long time friends and valued customers. We could not be more appreciative of their patronage to our business. And yet, these awards do leave us more deeply appreciative for these great people, and this great association which is comprised of our neighbors in Michigan."
