"Radiant Pharmaceuticals has chosen to remain investor-focused as they transition to trade on OTCQX, which allows them to continue to provide superior information and transparent trading on the quality-controlled OTCQX platform," said R. Cromwell Coulson, President and Chief Executive Officer of OTC Markets Group. "We are pleased to welcome Radiant Pharmaceuticals to OTCQX."

Radiant Pharmaceuticals began trading today on the OTC market's prestigious tier, OTCQX U.S. Premier. Investors can find current financial disclosure and Real-Time Level 2 quotes for the Company on www.otcqx.com [3] and www.otcmarkets.com [4].

"In moving to OTCQX, we will continue to deliver liquidity, transparency, and an efficient market for our shareholders while reducing the financial and management resources required for an exchange listing," Douglas MacLellan, CEO of Radiant Pharmaceuticals. "We are moving forward, dedicating more time and resources to the execution of our core business delivering high-value cancer diagnostics to the global healthcare system."

Merriman Capital, Inc. will serve as Radiant Pharmaceuticals' Designated Advisor for Disclosure ("DAD") on OTCQX, responsible for providing guidance on OTCQX requirements.
