Dawes to co-chair Repligen(2)

Mass High Tech: The Journal of New England Technology

Karen Dawes, president of Knowledgeable Decisions LLC, was recently named co-chairperson of the board of directors at [Repligen](#) [1]. She has served as a director of Repligen since September of 2005, and will co-chair the company with Alexander Rich.

Repligen is a biopharmaceutical company focused on marketing new protein therapy-based drugs in the fields of neurology and gastroenterology. The Waltham-based company also develops and manufactures biologics products.
