

Save Up to 25% on Discount Tickets to LPGA Founders Cup

The Associated Press

Phoenix-area golf fans can get up to 25% off advance sale tickets to the RR Donnelly LPGA Founders Cup through ScottsdaleHealthcareTickets.org. Half of the proceeds from discount tickets purchased through the special website will benefit nonprofit Scottsdale Healthcare hospitals.

The LPGA Founders Cup is March 12-18 at Wildfire Golf Club at JW Marriott Desert Ridge Resort & Spa in Phoenix. Scottsdale Healthcare Thompson Peak Hospital is minutes from the tournament's Northeast Phoenix location.

In partnership with Scottsdale Healthcare's Tickets Fore Charity campaign, the LPGA will donate 50% of proceeds from discounted tickets sold through ScottsdaleHealthcareTickets.org to the Scottsdale Healthcare Foundation. Discounts are as follows: -- Any Day Grounds ticket is \$15 for any one day of competition Thursday-Sunday (regular price \$20).

-- Weekly Grounds ticket is \$50 for tournament access Tuesday-Sunday (regular price \$65).

Scottsdale Healthcare Thompson Peak Hospital is located east of the Desert Ridge community at the corner of Scottsdale Road and Thompson Peak Parkway, at 7400 E. Thompson Peak Parkway. The full service hospital offers emergency, medical and surgical services including the latest in minimally invasive robotic surgical technologies.

Amanda Blumenherst, a Scottsdale resident who was born at Scottsdale Healthcare, and six-time LPGA Tour winner Grace Park are helping promote Scottsdale Healthcare's partnership with the RR Donnelley LPGA Founders Cup and its Tickets Fore Charity Campaign.

LPGA discount tickets benefiting Scottsdale Healthcare hospitals are available online exclusively at ScottsdaleHealthcareTickets.org.

Celebrating its 50th anniversary in 2012, Scottsdale Healthcare is the community-based, not-for-profit parent organization of Scottsdale Healthcare Thompson Peak Hospital, Scottsdale Healthcare Shea Medical Center and Scottsdale Healthcare Osborn Medical Center, the Virginia G. Piper Cancer Center at Scottsdale Healthcare, Scottsdale Healthcare Research Institute and its philanthropic arm, the Scottsdale Healthcare Foundation. A leader in medical innovation, talent and technology, Scottsdale Healthcare was founded in 1962 and based in Scottsdale, Ariz. For more information, visit www.shc.org.
