Soumava Sen, D.D.S., this month will open the first SmileBest Dental office in southern Texas with a San Antonio practice designed to deliver affordable, high-quality oral health care to patients of all ages.

(Logo: <http://photos.prnewswire.com/prnh/20120322/LA74525LOGO>) Located at 7970 Fredericksburg Road, near the intersection of Interstates 10 and 410, the high-tech San Antonio SmileBest office offers the latest dental innovations -- low-exposure digital X-rays, electronic dental records and digital intra-oral cameras that can project magnified views for dentists and patients to share.

The SmileBest staff invites the San Antonio community to a family friendly grand opening celebration from 11 a.m. to 2 p.m., June 30, featuring free food and drinks, dental goodie bags, prize giveaways and children's activities such as face painting and a bounce house.

Parents of children under 8 years old can make appointments for free dental screenings. Radio station KQXT (101.9-FM) will broadcast live from the event.

Patients can expect outstanding care at the San Antonio SmileBest. Dr.

Sen combines his 19 years of experience with the support of SmileBest Dental Services, L.L.C., which provides dental practices with advanced business, administrative and technology systems that help dentists do what they do best -- deliver exceptional oral health care.

In one location and with convenient weekend and evening hours, SmileBest offers such specialties as orthodontics, pedodontics, oral surgery, periodontics, endodontics, implants and even cosmetic treatments such as ZOOM!@ whitening, Invisalign@, porcelain veneers and white fillings.

To extend dental care to all, SmileBest offers zero-interest payment plans, including to those with less-than-perfect credit. SmileBest accepts most dental insurance and welcomes Medicaid and CHIP.

Along with Dr. Sen, the 14 new SmileBest employees include managing dentists Drs. Tatyana Pushkareva and Salman Jaffer, and business manager Elizabeth Gonzalez.
