The Company has been in business for more than 60 years and markets its products in over 60 countries worldwide. For more information about Wright Medical, visit the Company's website at www.wmt.com.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS The conference call and webcast may contain "forward-looking statements" as defined under U.S. federal securities laws. These statements reflect management's current knowledge, assumptions, beliefs, estimates, and expectations and express management's current views of future performance, results, and trends and may be identified by their use of terms such as "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "plan," "predict," "project," "will," and other similar terms. Forward-looking statements are subject to a number of risks and uncertainties that could cause our actual results to materially differ from those described in the forward-looking statements. Such risks and uncertainties include the impact of Wright's settlement of the federal investigation into Wright's consulting arrangements with orthopaedic surgeons relating to its hip and knee products in the United States, including Wright's compliance with a Deferred Prosecution Agreement through September 2012 and a Corporate Integrity Agreement through September 2015, and those risks and uncertainties discussed in our filings with the Securities and Exchange Commission (including those described in Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2011 and our Quarterly Report on Form 10-Q for the quarter ended June 30, 2012, under the heading "Risk Factors" and elsewhere), including demand for and market acceptance of our new and existing products; future actions of governmental
