

# FDA clears another Teleflex Arrow catheter

Mass Device

Medical device company Teleflex touts another FDA win for its Arrow line of catheters.

[Teleflex](#) [1] (NYSE:[TFX](#) [2]) won FDA 510(k) clearance for the latest in its line of Arrow devices, the FlexBlock continuous peripheral nerve block catheter.

The Arrow FlexBlock works with ultrasound imaging to place the catheter, with novel ultrasound visibility, flexibility and upgraded kink resistance, according to a press release.
