

GenMark Diagnostics to Present at the Canaccord Genuity Medical Technology & Diagnostics Forum

The Associated Press

CARLSBAD, Calif.--(BUSINESS WIRE)--Nov 26, 2012--GenMark Diagnostics, Inc. (NASDAQ: GNMK), a leading provider of automated, multiplex molecular diagnostic testing systems, will present at the Canaccord Genuity Medical Technology & Diagnostics Forum to be held at the Le Parker Meridien in New York, NY on December 4, 2012.

Hany Massarany, President and Chief Executive Officer, will present at 11:00 a.m. Eastern time (8:00 a.m. Pacific time) with a question and answer session scheduled immediately following the presentation. During the presentation, the company will discuss business and financial developments and trends.

A live webcast and audio archive of the presentation will be available at www.genmarkdx.com. A replay of the webcast will be available on the company's website for 90 days or can be viewed by visiting Canaccord Genuity.

About GenMark Diagnostics, Inc.

GenMark Diagnostics is a leading provider of automated, multiplex molecular diagnostic testing systems that detect and measure DNA and RNA targets to diagnose disease and optimize patient treatment. Utilizing GenMark's proprietary eSensor® detection technology, GenMark's eSensor XT-8™ system is designed to support a broad range of molecular diagnostic tests with a compact, easy-to-use workstation and self-contained, disposable test cartridges. GenMark currently markets four tests that are FDA cleared for IVD use: Cystic Fibrosis Genotyping Test, Respiratory Viral Panel, Thrombophilia Risk Test, and Warfarin Sensitivity Test. A number of other tests, including HCV Genotyping, 2C19 Genotyping, and 3A4/3A5 Genotyping are in development. For more information, visit www.genmarkdx.com.
