

Neusoft Medical receives FDA clearance for its multi-slice CT scanner

Mass Device

The FDA clears Neusoft Medical Systems' NeuViz 64 multi-slice CT scanner, which can lower the financial budgets for hospitals and imaging centers.

Neusoft Medical Systems landed FDA clearance for its multi-slice CT scanner, a cost-friendly and low-dose scanning system.

The company's 64-slice scanner expands its product portfolio also includes the NeuViz Single, NeuViz Dual and NeuViz 16 systems, which are available in over 60 countries.
