

Report: Baxter's in the hunt for \$4B Gambro buyout | Wall Street Beat

Mass Device

Anonymous sources say that [Baxter](#) [1] (NYSE:[BAX](#) [2]) is pursuing an acquisition of Swedish medical device company Gambro for \$4 billion, according to Reuters and the *Wall Street Journal*.

Deerfield, Ill.-based Baxter could ink the deal in the next 2 or 3 weeks, Reuters reported.

Gambro's owners, a pair of Scandinavian private equity firms, declined to comment or weren't available, the [newswire reported](#) [3].
