### Forward-Looking Statements

This press release contains "forward-looking statements" with the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about the future financial and operating results of Rochester Medical. Such statements are based on currently available information, operating plans and management's expectations about future events and trends. Such statements inherently involve significant risks and uncertainties that could cause actual results to differ materially from those predicted in such forward-looking statements, including the uncertainty of estimated revenues and profits, the uncertainty of current domestic and international economic conditions that could adversely affect the level of demand for the Company's products and increased volatility in foreign exchange rates, the uncertainty of market acceptance of new product introductions, and our level of success in increasing Rochester Medical Direct Sales revenue, the uncertainty of gaining new strategic relationships or locating and capitalizing on strategic opportunities, the uncertainty of timing of Private Label Sales revenues (pa
