

Becton Dickinson closes Safety Syringes buyout

Mass Device

Becton, Dickinson seals the deals with syringe guard maker Safety Syringes for an undisclosed amount.

[Becton Dickinson & Co.](#) [1] (NYSE:[BDX](#) [2]) sealed the deal with privately-held Safety Syringes Inc., maker of developing anti-needlestick devices for prefilled syringes.

The merger, the terms of which were not disclosed, is expected to expand on Becton's healthcare worker safety technologies for prefilled syringe customers, according to the company.
