

Endeavor Power Corporation Completes Its Merger with Parallax Diagnostics, Inc.

The Associated Press

CAMBRIDGE, Mass.--(BUSINESS WIRE)--Dec 18, 2012--Endeavor Power Corporation ("Endeavor Power" or the "Company") (OTCQB: EDVP) would like to bring its shareholders up to date on the Company's completion of the merger between its wholly owned subsidiary, Endeavor Holdings, Ltd. and Parallax Diagnostics, Inc. a bio-medical company in the point of care diagnostics business.

Parallax Diagnostics, Ltd ("Parallax") is a bio-medical company focused on infectious diseases, which owns a line of proprietary, FDA approved, Point of Care diagnostic tests on a single proprietary platform. Parallax is developing a novel, handheld diagnostic testing system that is simple, rapid and elegant, offering the potential to transform the diagnostic landscape by transitioning critical tests from the centralized lab directly to the hands of the physician or clinicians. Our focus is on tests that detect and/or monitor infectious diseases. The Company's tests combine innovative technologies that provide accessible, practical and rapid point of care in vitro diagnostics are based on the Company's Target System, its FDA Approved Platform that centered on the Target System VT1000, an FDA Approved bench top fluorescence immunoassay spectrum analyzer and its innovative flow through Target System test cartridges.

In addition to the Target System VT 1000 the Company currently owns 11 FDA 510K tests in the area of infectious disease. The tests included are a test Rubella-Cube, Blue Dot Tm Test (pregnancy), Cmv-Cube, First Sign (pregnancy), Rota-Cube (rotavirus), Target Strep A (streptococcus Spp.), V-Trend Target Im Test (infectious Mononucleosis), Target Aso Test, Target-Hcg, Target Quantitative Hcg.
