

Recalls: Haemonetics warns on potential leaks

Mass Device

Haemonetics sends a warning letter to ask its customers to check potential leak defects of its blood collecting equipment.

HAEMONETICS*
THE Blood Management Company

[1] [Haemonetics warns blood bank to check potential leak defects](#) [2] [Haemonetics](#) [3] (NYSE:[HAE](#) [4]) sent a letter to its customers warning of potential leak defects in its blood collecting equipment, specifically in plastic Y-connectors.

The company said the health risk is minimal and there have been no reports of "adverse events" so far.
