

SpinalMotion closes 4th tranche of \$15M round | Wall Street Beat

Mass Device

Medical device company SpinalMotion closes the 4th and final round of a \$15 million debt offering for its spinal implants.

SpinalMotion closed the final tranche of a \$15 million funding round that began in June 2011, according to a regulatory filing.

The Mountain View, Calif.-based medical device company raised a total of \$15.1 million in the offering of debt, options and warrants from 15 unnamed investors, according to the filing.

The first tranche of \$7.7 million closed June 2, 2011, according to the [SEC filing](#) [1]. A 2nd, \$3.0 million round closed April 17, 2012; [a 3rd round worth \\$2.8 million closed Sept. 6, 2012](#) [2]; and the final, \$1.5 million round closing Jan. 11 of this year.
