

## **Emergency Nurses Association Announces Corporate Sponsors for Leadership Conference**

Bio-Medicine.Org

DES PLAINES, Ill., Feb. 18, 2013 /PRNewswire-USNewswire/ -- The Emergency Nurses Association (ENA) today announced the corporate sponsors for the ENA Leadership Conference to be held in Fort Lauderdale on February 28- March 3, 2013.

This year's Strategic Sponsors are Hill-Rom, Stryker and Vidacare; the Strategic Supporters are Blue Jay Consulting and FreemanWhite ED Design Team; and the Leadership Conference Supporters are Gebauer Company and Physio-Control.

"As emergency nursing leaders, we are intimately involved in shaping the future of our practice and defining our role in the delivery of health care," said 2013 ENA President JoAnn Lazarus , MSN, RN, CEN. "This Leadership Conference gives us the opportunity to share best practices, network with colleagues and learn information that keeps us on the cutting edge of our profession."

This year's conference, with the theme *Shape the Future* will provide attendees with not only industry-leading, evidence-based education, but also the opportunity to share common challenges and best practices with other emergency nurses. *Shape the Future* will feature in-depth reviews of national issues facing emergency care professionals, educational sessions on patient care and practice issues and an exhibit hall featuring a plethora of suppliers of products and services for the emergency care environment.

*About the ENA 2013 Strategic Sponsors:*

Hill-Rom is a leading manufacturer and provider of medical technologies and services for the healthcare industry, including patient support systems, non-invasive therapeutic products, medical equipment rentals and information technology solutions.
