

ATG Rehab and United Seating & Mobility Join Forces to Create Numotion

PR Newswire

ROCKY HILL, Conn. and ST. LOUIS, April 2, 2013 /PRNewswire/ -- Following the January merger of ATG Rehab (ATG) and United Seating & Mobility (USM), the company announced today its new name, Numotion, which will be in effect June 1st, 2013.

"We realized our companies have complementary expertise, talents and systems," said Numotion President and CEO Paul Bergantino , formerly CEO of ATG. "As Numotion, we will continue to provide high technology equipment and utilize the strengths of our Nu team to ensure we are providing the most efficient, caring and committed service at a local level to our new and existing clients."

"No question, this is a challenging healthcare environment," said Bob Gouy , Numotion Executive Chairman and former President and CEO of USM, "but our employees are engaged and excited. Even our name shows there's a new way forward in mobility."
