

Not In Every Living Room, A Homemade 3-D Printer

Submitted by Guest (not verified) on Sat, 01/08/2011 - 12:36pm

Jim Smith, a 23-year-old in Wappingers Falls, N.Y., is taking citizen science to another level. He designed and built his own 3-D printer, which sits in the corner of his living room. Science Friday visited with Smith, got a tour of the machine and did some printing.
