

Ergonomic Chairs

Company offers a catalog featuring ergonomic chairs in its quick-ship program for customers who need seating immediately. The catalog showcases the hundreds of ergonomic chair models now available in BioFit's Ship Now! program. The company expanded its quick-ship program to include a wider selection of chair models for industrial, laboratory, and high-tech applications. In the Ship Now! program, BioFit offers shipping in two working days or less (after credit approval). If BioFit cannot fulfill this commitment, it will pay the freight. **BioFit Engineered Products**
