

## **ISO 9001:2000 Certification**

Thomas Engineering Company's Quality Management System has been certified as compliant with ISO 9001:2000. Bureau Veritas Certification (NA) has been chosen as the company's partner in this process. Bureau Veritas Certification has certified over 70,000 companies worldwide and stresses the need for continuous improvement as well as their commitment to adding value throughout the process. *Information: [www.thomasengineering.com](http://www.thomasengineering.com).*
