

Elite Partner Program

Elo TouchSystems, a Tyco Electronics business, has launched the Elo Elite Partner Program in order to further strengthen strategic relationships and collaborations. The program has been designed to provide specific business support for Value-Added Resellers (VAR) and Independent Software Vendors (ISV) when facing the challenges of the current economic climate. The goal of the program is to align Elo's technologies, channel proficiency, and support with channel suppliers that can deliver comprehensive solutions. *Information:* www.elotouch.com/partners [1].
