

Scientific Equipment and Supplies Catalog

Cole-Parmer has released the Spring edition of its Preferred Solutions catalog—a single source for scientific equipment and supplies. This 96-page book features a selection of new and best-selling products, including equipment and instrumentation, fluid handling products, electrochemistry items, and lab supplies. Find the very latest from brand names such as Masterflex, Oakton, PolyStat, and Stir-Pak to ensure top-quality solutions for needs in the lab, field, or plant.
