

BEE3-EZ Portable Heat Shrink Tube, Bar Code & Adhesive Label Maker

[K-Sun Corporation](#) [1]

\$139.00

The K-Sun BEE3®EZ is an electronic portable, compact keyboard printers that create adhesive-backed labels in 60 different sizes and color combinations. Prints on heat shrink tubes plus has 8-Bar Code formats for custom bar code labels for multiple uses. Runs on AA batteries or desktop AC adapter.. Has features you would expect from larger more expensive printers: New hot keys make it very EZ to select type size and font styles; EZ snap-in cartridges for custom polyester adhesive labels, heat shrink tube supplies, fluorescent, magnetic, fabric, and glow-in-the-dark labels; New hot key for EZ access to cable/flag label formats; 3-year warranty.
