

X-View CT - Industrial Computed Tomography Systems

[North Star Imaging Inc.](#) [1]

North Star Imaging Inc. (NSI) manufactures industrial 2-D digital x-ray and 3-D x-ray computed tomography systems. The company is a leading American manufacturer of x-ray/CT systems and also provides services, training, and other NDT equipment. NSI's inspection services group provides x-ray scanning services for product development, failure analysis, rapid prototyping, 3-D metrology, QA/QC, and more.
