

Momentive's Sharon Shatto talks StatSil antimicrobial silicone elastomer technology

MDTeditor

Sharon Shatto, Americas Healthcare Marketing Manager at Momentive Performance Materials, talks about the award winning (2009 Frost and Sullivan Product Innovation Award) StatSil antimicrobial silicone elastomer technology platform. The material addresses the need for antimicrobial capabilities to be a part of the polymers used to fabricate medical devices. Visit <http://www.momentive.com.com> to find out more about Momentive Performance Materials.
