

Comparing Miniature DC Motors and Gearboxes from Multiple Vendors

Submitted by Guest (not verified) on Fri, 05/07/2010 - 12:51pm MicroMo Electronics, Inc.

Comparing miniature motors from several vendors can be confusing. Each vendor has their own rating systems. Trying to compare published data from multiple vendors is akin to having a conversation with the tower of Babel. Nobody speak the same language. Here is a helpful guide to rating DC Motors.
