

## **Whitepaper: Challenges and opportunities for the medical device industry: Meeting the new IEC 62304 standard**

Submitted by Guest (not verified) on Wed, 10/26/2011 - 12:25pm IBM

This paper explains what IEC 62304 compliance means for manufacturers. It also describes the larger context of systems and software engineering best practices at work in many of today's most successful companies.
